Re: Voter Guide - 2008

Dear Mr. Scheffler:

I have had an opportunity to review the attached voter guides and to discuss the circumstances with your staff by which they were created. It is my understanding that the attached voter guides were not prepared in coordination with any candidate or candidate committee and that all candidates likely to be on the identified ballots were given an equal opportunity to respond to your questionnaire. Based on this, I am satisfied that the attached guides are in compliance with all applicable federal law and regulation, specifically including Federal Election Commission regulation 11 C.F.R. 114.4(c)(5).

Very truly yours,

Stefan C. Passantino
