Caucus Time is Approaching!

(Romans 13:1 NASB) "Every person is to be in subjection to the governing authorities. For there is no authority except from God, and those which exist are established by God."

On Monday, January 16th 2006, Iowa's precinct caucuses will be held across the state. These caucuses are a vital part of our Iowa political system and it is important that Christians participate. It is at the caucuses that both parties begin the process of determining their party's position on issues; including those issues that are important to Christian families. At the caucuses people from all across your county congregate to begin the process of forming a party-platform. Here, each person has the chance to propose and vote on planks to party platforms that are morally sound and family oriented. Once passed at the county, district, and state level these planks make up their party's platforms. Please participate in order to ensure the passage of a family friendly platform!

The Christian Coalition of Iowa has drafted suggested planks for your use at your local caucus. Links to this document can be found at: <http://www.iowachristian.com/amen.htm>

You can usually find out where your caucus meets in your local paper or by contacting your county Republican or Democrat party chair. You can locate these chairs through the state parties at www.iowagop.org (Rep.) and www.iowademocrats.org (Dem.) respectively.
