The Fleecing from Planned Parenthood

(Matthew 19:14 NASB) "But Jesus said, 'Let the children alone, and do not hinder them from coming to Me; for the kingdom of heaven belongs to such as these.'"

As you probably know South Dakota recently passed a strong pro-life law that bans abortion. This is an exciting breakthrough for Christians; one that could end at the U.S. Supreme Court and possibly overturn Roe vs. Wade. But the enemies of innocent life are marching to defeat this measure in South Dakota; and they are using your tax dollars to do it.

Almost immediately following South Dakota's passage of this law Planned Parenthood announced plans to defeat it – either through court action or by statewide ballot initiative. They will likely spend hundreds of thousands – if not millions of dollars – to defeat this law because they know the potential ramifications if they fail. Unfortunately, your tax dollars will be used to help them win. In the past three years over \$760 million of your taxes were given to Planned Parenthood making us key donors of the nation's largest abortion provider. What's worse, they spent over \$110 million on public policy expenditures to fight lawsuits, promote legislation, and other efforts.

Now that we finally have positive, pro-life legislation we must respond to this fleecing by fighting back. We must join together and sign this petition to urge our elected officials to keep our tax dollars away from Planned Parenthood and show them that we stand for the sanctity of life. Please visit: <http://www.iowachristian.com/petition.htm> to sign.

ACTION STEPS

Please visit <http://www.iowachristian.com/petition.htm> today and sign the petition to urge our elected leaders to remove funding from Planned Parenthood and protect the sanctity of life. Your efforts can help take your money out of the Planned Parenthood pocketbook.
