ICA HOSTS DAVID BARTON IN CLIVE!

September 29, 2007

5:00 P.M.

Seven Flags Event Center, Clive, IA

On Saturday, September 29, ICA will have the privilege of hosting renown author and historian, David Barton at its annual Friends of the Family Award Banquet. If you desire to learn more about what you can do to help reclaim America's Judeo Christian heritage, this night is for you!

David Barton is the Founder and President of WallBuilders, a national pro-family organization which distributes historical, legal, and statistical information; and helps citizens become active in their local schools and communities. WallBuilders is a name taken from the Bible book of Nehemiah. And just as Nehemiah led a grassroots movement in Jerusalem to rebuild the walls of that city and restore its strength and honor; so, too, WallBuilders seeks to energize the grassroots today to rebuild that which makes America strong - its constitutional, moral, and religious foundations.

David is the author of numerous works and this information has been directly implemented to reclaim the original intent of our Founding Fathers in the areas of faith and family. David speaks to hundreds of groups each year across the nation, and appears on numerous television and radio programs to communicate the truth regarding our country's religious roots and the role individuals can play in reclaiming our spiritual heritage.
